

## THE ROCHESTER INTERNATIONAL FRIENDSHIP CENTER *(last revised 10/24/19)*

We praise our Lord for the many generous souls who have helped us meet our 2019 financial goal!

The Rochester International Friendship Center has an annual budget of \$114,000. Funding sources include the Minnesota South District (LC-MS), circuit and area congregations, and individual donors. In 2020, we plan to operate without district subsidy so that this money can be used to start up a new International Friendship Center in Minnesota.

As we will not have district support in 2020, we would ask that you prayerfully consider special gifts of financial support this Thanksgiving and Christmas that will help us meet next year's budget. This ministry is only inhibited by the amount of volunteers and financial support that we receive.

In your offering to the Lord, you can help to ensure that it is faithfully used in the Great Commission with actual results. Your gift truly blesses those who need help with a clear opportunity for the Gospel of Jesus Christ to be shared and to save them unto everlasting life. Many souls from around the world are actually being saved, welcomed, and embraced into Christ's family right here in Rochester, Minnesota. This is a ministry with amazing results.
